### COLLABORATIVE | INCLUSIVE | ADAPTABLE | ETHICAL | PROFESSIONAL

Barrister with experience across legal and parliamentary processes, statutory decision-making and executive government administration

A committed and ethical legal practitioner, my background includes evidence-based statutory decision-making exemplifying procedural fairness, conferencing, mediation, inquiry management, delivering high-level legal and constitutional advice, and providing education and training within the legal profession.

Throughout my career I have demonstrated ethical rigor, accountability, transparency, tact and discretion and have extensive experience in advising Agency Heads, Ministers, Presiding Officers and Members of Parliament.
